MINISTRY OF LABOUR, HUMAN RESOURCE DEVELOPMENT AND TRAINING

COMMUNIQUE

To: All Registered Employers under Youth Employment Programme and Back to Work Programme

The Ministry of Labour, Human Resource Development and Training (MLHRDT) wishes to inform all private employers registered under Youth Employment Programme and Back to Work Programme that the respective Agreement to be entered between the employer and this Ministry have been amended. A clause has been added at paragraph 1 of page 1 of the Agreement to reflect the number of trainees the Ministry has approved to be placed at a specific point in time and read as follows:-

“bearing contract number for the placement of trainees under this programme as per Appendix K”.

A new Appendix, that is ‘Appendix K’ representing particulars of approved trainee(s) which will be filled in by MLHRDT has also been added on the website of both programmes. Same would be submitted to employers and HRDC upon approval of Agreement.

Henceforth, the amended Agreement which has already been uploaded on the YEP and BTW websites should be submitted by employers to participate under these training programmes.
